

HELP BUILD PAWTUCKET'S FIRST HABITAT HOUSE

Habitat for Humanity needs to fill the following positions:

- **Volunteer Site Supervisor**

- Responsibilities include overseeing all phases of construction, according to plans until 100% completed
- Submit weekly building activity plans
- Through the Habitat Construction Coordinator, order materials and advise on the timing of the subcontractors
- Must have extensive knowledge of construction
- Site Supervisor will work on site every Saturday (weather permitting) until construction is complete

- **Volunteer Team Leaders**

- Supervised by the Site Supervisor, Team Leaders will work with small groups of unskilled volunteers
- Some basic construction knowledge needed

All inquiries may be directed to Herman deKoe at (401) 831-5424

Groups or individuals are needed every Saturday from 8:30am – 2:00pm to help build Pawtucket's first Habitat house, located at 41-43 Jefferson Avenue.

If you would like to join us, please call ahead to the Habitat office (401) 831-5424 to schedule a work day.

No tools or experience necessary.
